OBJECTIVE

As a university student, I am currently seeking a summer job that would provide me with valuable work experience and financial support during the months of May to August. I am eager to apply the skills and knowledge I have gained through my studies to a practical work setting, and I am open to exploring a range of industries and job roles. As a motivated and dedicated individual, I am confident that I can make a positive contribution to any organization I join, while also benefiting from the opportunity to learn and grow professionally.

EDUCATION

BSc Software Engineering

University of Calgary • Calgary

Sep 2021 - Present

Highschool Diploma

Ernest Manning Highschool • Calgary, Alberta

Sep 2018 - Jul 2021

SKILLS

As a university student, I possess a variety of skills that make me a valuable asset in any work environment. One of my greatest strengths is my ability to quickly grasp new concepts and ideas. I am a fast learner who is always eager to acquire new knowledge and skills. Additionally, I am a skilled critical thinker who is able to analyze complex information and make informed decisions based on available data. I am also a team player who understands the importance of collaboration and communication in achieving shared goals. Finally, I am a dedicated individual who is committed to working hard and putting in the effort required to achieve success. These skills, combined with my enthusiasm and positive attitude, make me a capable and effective employee who is ready to take on any challenge that comes my way.

WORK EXPERIENCE

Commercial/Residential Painter

Pan Provincial Painting & Decorating Alberta Ltd • Calgary

May 2020 - Aug 2020

During the summer of 2020, I worked as a building painter where I gained valuable experience in painting commercial buildings. My primary responsibility was to work on exterior painting, where I used rollers, brushes, and other tools. As a building painter, I worked on various projects, including preparing surfaces, priming, painting, and cleaning up after completing the job. I carefully assessed the condition of the building's exterior, identifying any holes, rough surfaces, or peeling paint. I then worked to repair these issues before beginning the painting process. Using rollers and brushes, I painted the exterior of commercial buildings, paying close attention to detail to ensure a high-quality finish.

During the summer of 2019, I worked as a house painter where I gained valuable experience in painting both the interior and exterior of buildings. I used rollers, brushes, and other tools to give buildings a fresh and updated look. As a house painter, I worked on various projects, including painting the exterior of houses, fences, and buildings. I carefully assessed the condition of the surfaces to be painted, ensuring that they were smooth and clean before beginning the painting process. Using rollers and brushes, I painted the exterior of homes and buildings, paying close attention to detail to ensure a high-quality finish. I also painted fences, which required precision and care to ensure that every inch was covered evenly. On some occasions, I worked on painting the interior of buildings, which allowed me to develop skills in painting walls, ceilings, and trim. I used the appropriate techniques and tools to ensure a smooth and professional finish, taking into account the color scheme and desired look of the space.

Landscaping

Rimrock Landscaping Ltd • Calgary

Jul 2018 - Aug 2018

During the summer of 2018, I worked as a landscaper, where I gained valuable experience maintaining outdoor spaces. My primary responsibilities included using a lawnmower and weedwhacker to keep lawns and gardens looking neat and tidy. In addition to working with grass, I also maintained plants such as trees, bushes, and flowers. This involves pruning dead or overgrown branches and watering regularly. I worked closely with my team to develop plans for maintaining the landscaping of the properties we were responsible for.

VOLUNTEER WORK

Sports Med Trainer

Ernest Manning Highschool • Calgary

Jan 2019 - Jun 2019

During my time as a volunteer sports medicine trainer for my high school sports teams, I had the opportunity to play a crucial role in maintaining the health and safety of student-athletes. I was responsible for helping to prevent, evaluate, and treat injuries during practices and games. Working closely with coaches and other medical professionals, I assisted in developing effective treatment plans and rehabilitation programs for injured athletes. As a committed team player, I made myself available during evenings and weekends to provide medical support whenever needed. It was an incredibly rewarding experience to be able to help my fellow athletes and contribute to the success of our sports teams. I also completed first aid and CPR course.

Calgary Marathon

Run Calgary • Calgary

May 2019 - May 2019

I volunteered at a marathon as a course assistant, handing out water and snacks to runners along the route. It was fulfilling to be a part of such a positive and supportive environment, and I felt proud to contribute to the success of the event.

AWARDS AND HONOURS
